

DO NOT CHANGE OR OVERTURN NJ'S DO NOT CALL LIST. WE DO NOT WANT ANY TELEPHONE CALLS FROM BUSINESSES WITHIN THE PAST 18 MONTHS. BESIDES YOU AND THE BUSINESSES CAN NOT KEEP TRACK OF HOW MANY MONTHS HAVE PASSED, SO HOW IN THE WORLD COULD YOU ENFORCE THIS RULE WHEN WE COMPLAIN. YOU DO NOT HAVE THE COMPUTER STORAGE TO KEEP RECORDS FOR 18 MONTHS IT WOULD COST YOU BILLIONS OF DOLLARS TO PUT IN A SYSTEM IN TO MONITOR THIS PROGRAM SO JUST LEAVE IT THE WAY IT IS. YOU DON'T HAVE THE PEOPLE TO HANDLE THE 8.4 MILLION NJ RESIDENTS NOT TO MENTION THE 294 MILLION PEOPLE IN THE USA SO YOU CAN'T EVEN HIRE THE STAFF TO HANDLE THE COMPLAINTS IF THESE PEOPLE CALL THE FCC TO COMPLAIN. SO LEAVE THE PROGRAM ALONE. IT WORKS JUST FINE NOW.
